

Environment report for parish council meeting

A total of 8 villagers volunteered on Saturday 18 October to help tidy the village plus another 10 who could not attend on the day, which was very encouraging. It was also encouraging that in general there was not too much rubbish. Many thanks to all those who gave their time to tidy and wash signs etc. It is hoped to do this again.

The footpath on Boggle lane has been repaired.

Many verges and hedges have been cut.

Roads - to discuss particularly Normanby Rise.
